ASSIGNMENT AND AGREEMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I, **TYSON YORK WINARSKI, TEMPE, ARIZONA**, have sold, assigned and transferred, and do hereby sell, assign and transfer, unto JEFF MYERS, PHOENIX, ARIZONA, and his successors, assigns, and legal representatives, the entire right, title and interest for the United States of America in and to certain inventions relating to improvements in **AN INTERNET BASED SYSTEM FOR MANAGING A NETWORK OF ELECTRONIC ADVERTISING BILLBOARDS THROUGH A WIRELESS TELECOMMUNICATION SYSTEM** (serial number 09/662,968), described, illustrated and claimed in an application for Letters Patent of the United States of America, together with the entire right, title and interest in and to the application, and in and to Letters Patent which may be issued upon the application, and upon any division, extension, continuation or reissue thereof.

I hereby also sell, assign and transfer unto JEFF MYERS, the entire right, title and interest in and to the invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of the invention and the applications for Letters Patent in foreign countries, and I further authorize JEFF MYERS to apply for Letters Patent in foreign countries directly in his own name, and to claim priority of the filing date of the application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

I hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation or reissue, to JEFF MYERS, for the sole use and benefit of JEFF MYERS, his successors, assigns and legal representatives, to the full end of the term for which Letters Patent may be granted, the same as they would have been held and enjoyed by me had this assignment not been made, and I hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to JEFF MYERS.

I agree that, when requested, I will, without charge to JEFF MYERS, but at his expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions in any and all countries and for vesting title thereto in JEFF MYERS, his successors, assigns and legal representatives or nominees.

I covenant with JEFF MYERS, its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.
